Sketch'N'Broider

Explore the **NEW** AcuSketch app.

Transform your sketches and doodles into embroidery designs and quilting motifs. Free in the App Store!

WiFi

Use the AcuSketch app to create free-motion-quilting-like designs for quilts or patchwork quilts by tracing or drawing on an iPad with your finger or a stylus. Enjoy the quick, easy and fun way to create custom quilt patterns.

1. Capture

Snap a photo with your iPad.

2. Trace

Trace a photo or draw free hand using a finger or stylus to create design.

3. Send

Convert drawing to stitch data and send wirelessly to HMC15000, HQMMC15000 or Skyline S9.

4. Stitch

Hoop Fabric and Stitch.

Acu App Features

AcuDesign: edit, resize, change color, adjust stitch density, and preview designs from your iOS mobile device.

AcuEdit: design embroidery anywhere, anytime. It includes the full editing capability of the Horizon Quilt Maker.

AcuMonitor: watch the progress of your embroidery stitchouts on your iPad from anywhere in your home.

AcuSetter: communicates directly with your Wi-Fi-enabled sewing machine to perfectly align your design to your project.
